# Third Annual Snowflake Celebration

Local merchants once again throw open their doors to stay open late and create a holiday atmosphere, enabling you, the people of Park Slope, to do your holiday shopping . . . here! Each participating business will **stay open until 10:00 p.m., and offer some special promotion** – could be a sale, could be a giveaway, raffle, carolers, snow machine (it's been done!), mulled wine, special hors d'oeuvres, etc.

Last year we had 150 participating businesses . . . who knows what will happen this year?! In the current and impending economic climate, it's more important than ever to keep our local economy strong and healthy, so let's get together and **Keep it Local!**
