Alexandr Bilozor

Front-End Developer

Personal Details

Date of Birth	23.05.1994
Nationality	Ukrainian
Location	New York
Gender	Male
Skype	bilazor4ik

Summary

Have overall 4 years experience in web-development. First I started to learn C++ and PHP, but after 6 month I decided to switch my profile from Back-End to Front-End Developer.

Have experience in following web development cases:
Landing-pages, e-commerce web-sites, promo-sites.

In my work I use web-language:

- HTML, CSS, JQuery, PHP, Sass, jade

And following tools:

- Gulp, TARS, Photoshop, Brackets, GIT, npm

CMS I worked with:

- WordPress
- PrestaShop

Personal properties: enthusiastic, open-minded, optimistic, communicative, honest, qualityorientated, proactive.

Have my own team of Back-End programmers located in Ukraine.

Work Experience

Since 2012 working as freelancer.

My latest projects:
