## Profile

I am a highly experienced artist, with a background training in fine art.

As a graphic designer I specialise in Logo, Illustration, web design and enjoy implementing the client's vision in developing their design from conception to delivery. I am a skilled, experienced and enthusiastic person who is motivated by her work.

## Employment History

### A1 Future Technologies, Kolkata, West Bengal

2011 – 2015

I was involved in all aspects of graphic and web design work for this application development company as well as that of their major client, ADP Dental Co (now one of the largest dental companies in the UK).

In my role for A1 Future Technologies, my responsibilities included:-

- Creating and maintaining the company's website <http://www.a1future.com/> which involved communicating with management and support staff based in Kolkata as well as all aspects of print and graphic work.
- Creation of the visual layout for a new web-based diary application.

### Freelance

2015 Present

I worked as a freelance web designer on many sites and design logo and branding for 5000+ companies, mostly for local businesses in US, Canada, New Zealand.
