EXPERIENCE

FREELANCE WEB DEVELOPER & DESIGNER MAY 2015 - PRESENT

Worked closely with clients to portray their company in the form of a website that was not only user-focused, but also responsive and optimized for speed and performance.

Launched Websites:

<http://antfreda.com>

<http://crisisreliefnetwork.org>

<http://labyrinthdigital.io>

<http://antfreda.com/diet>

WAREHOUSE MANAGER JUNE 2013 - PRESENT

In charge of a small team, where I was tasked with managing inventory and the shipment of product.

Tasks include invoicing and shipping over \$20,000 worth of product a day.

ACCOMPLISHMENTS

Successfully launched a Digital Marketing company. This required logo design, website design, development, branding and more.

The website can be found at labyrinthdigital.io

EDUCATION
